

WORKING TO GET ONE MORE NURSE

Proceeds From Tag Day Sales Expected to Give Association What It Needs.

During the past year, according to the Visiting Nurses' Association, there have been very heavy demands upon that organization for help. "Our people are realizing," said one of the leaders in the Association yesterday, "that the visiting nurses are a tremendous help to them in sickness. They know that our nurses are thoroughly equipped for the work they have in hand, are sympathetic and can be counted on in any emergency. Hence it is that the calls for nurses have increased very greatly, and many of them have more work than they can possibly do."

"In addition, the nurses are always being called on to assist in charitable work of different kinds, and as it is the policy of the association to co-operate with all other charitable organizations, our nurses gladly give their time to this work. This, however, means that some other work must be neglected, and as we are sure the people of the city do not desire this, we are very anxious to secure at least one additional nurse."

That the appeal of the association will meet with a liberal response in their confident expectation, in view of the many pledges of support which have been forthcoming during the last few days. Leading business men, and representative women of all faiths and creeds, many of whom are not connected with the association, have pledged their support and have prom-

HONEST DRUGGIST GIVES GOOD ADVICE

Having suffered for some time with backache, and after being treated by many physicians for bladder trouble without any good results, I was induced by my druggist to try Dr. Kilmer's Swamp-Root. From the first I was surprised, as all pain disappeared. Have since continued the treatment and am satisfied I am cured. Yours truly,

LOCAL PYTHIANS VISIT PETERSBURG

Twenty-Six Members of Uniform Rank Enjoy Pythian Hospitality.

NO CHANGE IN LICENSE TAX

Separate Primaries Favored by Candidates—Other News Notes.

Times-Dispatch Bureau, Petersburg, Va., March 30.—The fraternal visit of 110 members of the Richmond Pythian Society, No. 4, Uniform Rank, Knights of Pythias, of Richmond, last night to the Petersburg company, was an event of special interest. Twenty-six members of the Richmond company, under command of Captain J. L. Greer, came over. They were met and escorted to the Pythian Castle Hall, where some time was spent in fraternal greetings and intercourse. At 9 o'clock the visitors were escorted to the Stratford Hotel, where an elegant banquet was spread, and where they were welcomed by Sir Knight John F. Crowder. A happy response was made by Captain Greer. Colonel W. H. Wilcox acted as master of ceremonies and toastmaster, and speeches were made by Major E. B. Rice and Captain J. W. Starke of Richmond, and by Captains S. A. Reineck and George A. Bowman, John F. Lawrence and J. L. Tucker, of the Petersburg company. It was midnight before the enjoyable occasion ended.

The Finance Committee last evening decided to make no changes in the matter of license taxes for the next year, and will recommend the adoption by the Council next week of the provisions of this year's ordinance for the new year.

The committee heard representatives of the Seaboard Air Line Company on a request to allow the company to discontinue its local passenger station on Market Street, on account of the expense of maintaining two stations in the city. While no action was taken, it is understood that the committee is not disposed to grant the request unless better means of access to the Dunlop Street Station are provided for the public, and better accommodations at that depot are furnished. These conveniences may be eventually arranged, and an extension of the street car line made to the Dunlop Station.

Sale of Building Lots.
T. Fannin's Sons, auctioneers, sold publicly yesterday afternoon for A. D. Hamilton and Bartlett Roper, Jr., commissioners, sixteen building lots fronting on Liberty and Halifax Streets. The sale attracted a large gathering, and the bidding was lively. While prices varied from \$500 to \$1,500 for the lots, according to the aggregate sum realized was over \$16,000, or \$1,000 per lot.

Date for Primary.
It is more than probable that the primary election for the nomination of candidates for the Senate and House of Delegates in the Petersburg and Dinwiddie Senatorial District will be held separately from the State primary. The matter will be settled by the city.

Don't Grow Old Too Fast

"A man is as old as his arteries." Old age is merely a hardening of the arteries—and hardening of the arteries comes from excessive eating of high-protein food such as meat and eggs. Cut down the high-protein diet for awhile and eat Shredded Wheat. It supplies all the body-building material in the whole wheat prepared in a digestible form. Of course

SHREDDED WHEAT BISCUIT

will not "cure" appendicitis—nor will any other cereal food. The excessive eating of indigestible foods, however, gradually brings on stomach and bowel disorders—and these can be prevented by a daily diet of thoroughly cooked cereals. Shredded Wheat is best for this purpose because it is steam-cooked, shredded and twice baked, retaining the bran coat, which is so valuable in keeping the bowels healthy and active.

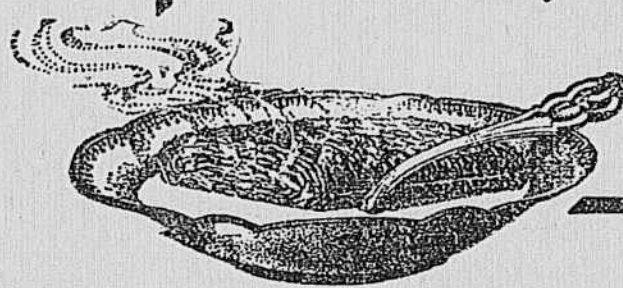

Heat the Biscuit in the oven to restore crispness and serve with hot or cold milk and a little cream, adding salt or sugar to suit the taste. It also makes delicious combinations with stewed or preserved fruits. Two Shredded Wheat biscuits with stewed fruit makes a wholesome nourishing meal.

COUNCIL MAY LIMIT NUMBER OF SALOONS

License Tax Will Probably Be Made \$2,500 a Year—Shoe Cutters and Stitchers to Continue Strike.

(Special to The Times-Dispatch.)
Lynchburg, Va., March 30.—It is learned that there is a movement on foot among some of the members of the City Council looking to the consideration of an ordinance at the meeting of the Common Council Thursday night of next week, which would have for its purpose the limiting of the number of the saloons to be licensed in Lynchburg after April 30, and for the specification of the territory in which the saloons are to be located, the object of this being to prevent their location in residential sections.

At the same time the Council will have for consideration a report from the Finance Committee as to the liquor license charge, for it is generally expected that the license will be fixed at least as high as \$2,500 per annum. The charge before the saloons were voted out of the city was \$1,500 a year for the city. It would be surprising if the Finance Committee decides to recommend a license higher than \$2,500.

From what can be learned on the streets this afternoon relative to a largely attended meeting held last night in the Odd-Fellows' Hall, in Twelfth Street, by members of the Shoe Cutters and Stitchers' Union, the members of the order propose to continue their strike, until they are taken back for work in a body.

In addition to this, it is understood, that an effort is to be made to induce the shoe cutters and stitchers in the West End factory to strike, in sympathy with the men and women now out of work, but it is not believed that this will come to anything.

The meeting appointed twenty scouts, who were instructed to try to keep the people employed away from work, and when some of them showed up this morning at 6 o'clock, in the

vicinity of the Southland factory, they were quickly dispersed by the police, who had the assistance of half a dozen detectives.

Quite a number of workers have been taken back this week by the company, and the shops are reported to be running full.

The representative of a detective agency stated this afternoon that last night he mailed to T. T. Miller, attorney for Edgar Stripling, the former police chief of Danville, where he was known as R. E. Morris, petitions from more than 1,500 persons asking for the pardon of Stripling, who is awaiting a life sentence for murder committed many years ago.

Candidate for State Senate.
When soon to-day was asked about reports that he would be a candidate in the Democratic primary next summer for the nomination as a candidate for the State Senate from the district composed of the city of Lynchburg and the county of Campbell, Volney E. Howard, readily admitted that he had fully made up his mind to enter the primary, and that he would make a hard canvass in his interest in that behalf.

Atlanta, Ga., March 30.—Announcement was made to-day that the application for pardon filed by Edgar Stripling, the Harris county slayer, who

was recently recaptured at Danville, Va., after fourteen years' freedom, will be taken up by the Prison Commission April 6. Stripling was serving as Chief of Police of Danville, under the name of Morris, when rearrested, and bore a good reputation. Great interest has been aroused in his case.
